

Upgrade-Now Promotion for 2006

Captaris Announces Reduced Price Upgrades for Customers Purchasing Support or Maintenance Plans

OVERVIEW

Captaris is pleased to announce 2006 promotional pricing on upgrades for customers who have not had a Captaris support or maintenance plan for at least 12 months. Customers purchasing a support or maintenance plan, who have not had a support or maintenance plan for at least 12 months will be eligible to purchase an upgrade to the current version of their Captaris products at reduced prices. Partners selling those support or maintenance plans will receive a maximum margin of 20% (not to exceed the partner's current product margin) on the support or maintenance plan and regular partner margins apply on the upgrade.

ORDERING INFORMATION

To take advantage of the Upgrade Now promotion, upgrades must be accompanied by an order for a Captaris Support or Maintenance Only Plan on the same purchase order. This promotional pricing is valid until Dec. 31, 2006.

When ordering your upgrade, please use the following part numbers and pricing
